25 MAR 1963

Major William P. Marbacy, USA Chief, Visitors Bureau, USARCASIE

Dear Major Hambner,

I wish to extend to you my personal thanks for your cooperation and support is helping to make the recent Regional Conference, held in Panema, an outstanding success. I am sure the results of the conference would not have been so gratifying had it not been for this cooperation. Tour thorough planning and hard work were deeply appreciated.

Faithfully yours.

(Signed) Marshall S. Carter
